GENERAL INFORMATION	Rochelle Zell Jewish High School (RZJHS), located 25 miles northwest of downtown Chicago, is a private, full-day, co-educational high school for students in grades nine through twelve. Rochelle Zell opened its doors in 2001 to 26 students. For the 2018-2019 school year, enrollment is 184 students drawn from over 20 communities throughout Chicago and its suburbs. Roughly three-quarters of our students advance to Rochelle Zell from Jewish day schools. The remaining students attended local public and private schools before Rochelle Zell. In the fall of 2007, Rochelle Zell moved to a permanent, state-of-the-art campus located on 7.3 acres in Deerfield. In November 2015, Chicagoland Jewish High School changed its name to Rochelle Zell Jewish High School.
ACADEMIC PROGRAM	Rochelle Zell offers a college preparatory program that combines a rigorous general studies education with a comprehensive Jewish studies education, which is supplemented by strong athletic and fine arts programs, and numerous extracurricular activities and leadership opportunities. General and Jewish studies are valued equally at Rochelle Zell. When possible, subject areas are integrated to enable students to experience the secular world from the perspective of Jewish values and practices. Small class sizes and differentiated instruction help each student find his or her own voice, solve problems creatively, cultivate respect for individual differences, and develop a deep dedication to learning. Admission to Rochelle Zell is competitive; students are evaluated based on their performance in junior high/middle school, standardized test results, faculty recommendations, and an interview.
ACCREDITATION	Rochelle Zell is accredited by the Independent Schools Association of the Central States (ISACS) and has earned full recognition from the Illinois State Board of Education. Rochelle Zell is a member of the National Association for College Admission Counseling (NACAC), the Illinois Association for College Admission Counseling (IACAC) and the Illinois High School Association (IHSA). Rochelle Zell complies with the NACAC Statement of Principles of Good Practice. Rochelle Zell is affiliated with Prizmah: Center for Jewish Day Schools.
FACULTY	Rochelle Zell manifests its commitment to academic excellence by selecting faculty who are academically and pedagogically accomplished. Our teachers hold degrees from leading colleges and universities, including Barnard, Ben Gurion University, Brandeis, Brown, Columbia, Cornell, Grinnell, Moscow State University, Northwestern, Princeton, Stanford, University of Chicago, University of Illinois, University of Michigan, Tufts, Vanderbilt, and Washington University. Of our 50 faculty members, over 50% hold Master's Degrees, Doctorates, and Rabbinic/Cantorial ordinations. Several of our teachers have received peer recognition for their professional accomplishments. For example, Dale Griffith, English/History Department Chair, has repeatedly been named outstanding teacher by the University of Chicago. Ellen J. Rostker, Co-Director of College Counseling, is a recipient of IACAC's Kasowski Award. Dr. Rebecca Schorsch, Director of Jewish Studies, was awarded the prestigious Covenant Award for Excellence in Jewish Education. The school is committed to facilitating the professional development of its faculty through an academic mentoring program that includes diverse staff development initiatives.
GENERAL STUDIES CURRICULUM	The general studies curriculum includes English, mathematics, history and social sciences, science, modern languages (Hebrew and Spanish), the arts, and health and physical education. Academic subjects are generally taught at two levels: a College Preparatory level and an Honors or Advanced Placement level. Students may work at different levels in different subjects. Eleven AP courses are offered this year. The College Board has authorized each of our AP courses to use the AP designation for the 2018-19 academic year. Because of the demands of the dual curriculum, students are able to take a maximum of eight AP courses during their years at Rochelle Zell.
JEWISH STUDIES CURRICULUM	All students study Bible, Jewish History, Modern Jewish Thought, and Talmud, which is one of Judaism's central texts and the basis for all codes of Jewish law. Talmud and Bible courses are offered at three levels, depending upon students' Hebrew language proficiency. Students study Hebrew and Aramaic texts with a partner as they explore their meaning and relevance. Modern Jewish Thought is offered at College Prep and Honors levels.
