

## 9th Grade School Supply List

### **Technology (BYOT)**

Students should bring their own device for educational use under the direction of a teacher or administrator. Laptops are preferred as they support software that may be required at all levels. Chromebooks, Android Tablets and Apple iPads are light and portable and may work in certain situations but are limited in functionality. RZJHS provides Microsoft Office 365 for all students, which includes five free downloads of the Office Suite-there is no need to purchase this software for your student.

### **All Classes**

- A Rochelle Zell assignment notebook will be given to each student at orientation
- Black or blue ink pens
- Pencils

### **Bible - All Levels**

- 3-ring binder (1.5 to 2" size) with a supply of lined notebook paper and dividers
